Election Officials present March 14, 1989:

Selectmen: John Pfeifle, Kenneth Brown, Edna
Herbert

Moderator: Brackett Scheffy, Mildred Kittredge
Protem

(Acting) Town Clerk: Susan Pehrson

Supervisors: Isabel Sheehan, Kathleen
McKenna, Ellen Wheeler

Ballot Clerks: Esther Spaulding, John Blitzer,
Matilda Wheeler, Kathleen Bigford, Amy
Blitzer

Meeting adjourned until 7:00 PM March 15, 1989

Moderator Brackett Scheffy opened the meeting at 7:30 PM. He announced the elected officers on March 14, 1989. He then gave the floor over to Selectman John Pfeifle who made a presentation to Elizabeth Cilley for 50 years of continuous service to the town as Town Clerk. She was presented with a bouquet of roses and a plaque. Clarence Hall who died in 1988 as well as Stanley Brown who resigned due to illness were both shown the town's appreciation with a round of applause. Moderator Scheffy noted the rules under which the meeting would be conducted and proceeded on to:

Article 4 To see if The Town will raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.

TOTAL APPROPRIATIONS736,866

- Article 5** To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes. **Carried**
- Article 6** To see if the Town will vote to authorize the Selectmen to apply for accept and expend without further action by the Town Meeting, money from the State, Federal or other government unit or a private source which becomes available during the fiscal year. **Carried**
- Article 7** To see if the Town will vote to accept monies received from the establishment of the Trust Funds during the year since last Town Meeting. **Carried**
- Article 8** To see if the Town will vote to accept \$49,306 from the Sate Highway Block Grant to be spent on maintenance construction and reconstruction of Class IV and V highways. **Carried** (Recommended by the Budget Committee)
- Article 9** To see if the Town will vote to raise and appropriate the sum of \$20,000 to be paid into the Future Revaluation Capital Reserve Fund. **Carried** (Recommended by the Budget Committee)
- Article 10** To see if the Town will raise and appropriate the sum of \$10,000 to be paid into the Fire Department Heavy Equipment Capital Reserve Fund. **Carried** (Recommended by the Budget Committee)
- Article 11** To see if the Town will raise and appropriate the sum of \$10,000 to be paid into the Highway Heavy Equipment Capital Reserve Fund. **Carried** (Recommended by the Budget Committee)
- Article 12** To see if the Town will raise and appropriate the sum of \$19,943 to Lease/Purchase a new Dresser

Model 850 articulated Motor Grader with standard equipment and options which has a total list price of \$159,062 less trade-in allowance of \$73,062 resulting in a net purchase/lease price of \$86,000. This lease/purchase agreement will require five yearly payments of approximately \$19,943 resulting in the purchase of the grader on the fifth anniversary. **Carried** (Recommended by the Budget Committee) Majority Vote Required

- Article 13** To see if the Town will raise and appropriate the sum of \$16,000 for the purchase of a 1989 Police Cruiser. **Carried** (Recommended by the Budget Committee)
- Article 14** To see if the Town will raise and appropriate the sum of \$3,500 for a Highway Sander for the use of the Highway Department. **Carried** (Recommended by the Budget Committee)
- Article 15** To see if the Town will vote to raise and appropriate the sum of \$500 to assist in covering a portion of the operating expense of the Bradford/Newbury Cooperative Kindergarten. **Carried** (Recommended by the Budget Committee)
- Article 16** To see if the Town of Bradford will vote to change the classification of County Road from Dunfield Road south 3,432 feet approximately 6/10 of a mile from a Class VI to a Class V. (By Petition) (Not Recommended by the Budget Committee) Counting of hands 87 Against, 60 For - **Article did not Carry**
- Article 17** To see if the Town will authorize the Bradford Board of Selectmen and the Bradford Conservation Commission to accept 28 acres more or less from the Skeie Tree Farm, Inc. This tract of land found and described as follows: *Beginning at an iron pipe set in the southerly side of the Highway to Bradford, so called and at the westerly corner of 1 and now or formerly of Arthur Erbthal, thence in a westerly direction 75 feet along said highway to Bradford, thence in a southerly direction approx-*

imately 1230 feet to a point which lies 200 feet easterly of a cedar post on a line running N 70 degrees E, then N 70 degrees E approximately 2000 feet to a tamarack post set next to a brook, by land now or formerly of Arthur Erbthal, thence northwesterly approximately 1930 feet to the place or point of beginning. Containing 28 acres more or less.

As the quid pro quo for obtaining the 28 acres the Town of Bradford proposed to terminate easements across the Skeie Tree Farm land.

Carried (Recommended by the Board of Selectmen and The Conservation Commission.)

Article 18 To see if the Town will vote to increase the number of Library Trustees from six to seven, each Trustee to hold office three years as heretofore. This change is made to bring the Board of Library Trustees into conformity with RSA 202 A:6 as amended in 1987, which requires that elected Boards of Library Trustees shall have an odd number of members. This shall become effective at the 1990 Town Meeting. **Carried** (Submitted by the Board of Library Trustees)

Article 19 Pursuant to RSA 39:3 the following petition is hereby submitted to the Bradford Board of Selectmen to be placed on the Warrant for the 1989 Town Meeting. If the zoning ordinance is enacted by majority vote to see if the Town will further authorize the Planning Board to review and approve or disapprove site plans for developments under the requirements of RSA 674:43. The Planning Board, prior to conducting site plan reviews shall adopt site plan regulations according to the procedures in RSA 675:6. **Carried** (By Petition)

Article 20 To see if the Voters of the Town of Bradford will approve a non-binding resolution to limit the yearly operating budget increase at the level of the previous year's cost of living index. **Not Carried** (By Petition)(Not Recommended by the Budget Committee)

- Article 21** To see if the Town will vote to abandon a section of Old Route 103 (Old Warner Road) best described as Witham driveway. **Carried**
- Article 22** To see if the Town will vote to authorize the Selectmen to sell Town owned property acquired by the Tax Collector's Deed. **Carried**
- Article 23** To see if the Town will vote to accept the reports of the Town Officers. **Carried**
- Article 24** To transact any other business that may legally come before the Meeting.

No further Business was transacted.

Moved to adjourn at 9:30 P.M.

Warrant signed and posted on February 20, 1989

TOWN WARRANT

State of New Hampshire

The Polls will be open from 12:00 Noon to 7:00 PM March 12, 1990.

To the inhabitants of the Town of Bradford in the County of Merrimack in said State qualified to vote in Town Affairs:

You are hereby notified to meet at the Townhall in said Bradford on Tuesday, the thirteenth of March next, at twelve o'clock noon to act on the following Articles:

1. To choose all necessary Town officials for the ensuing year.
2. To vote on combining the Office of Town Clerk and Tax Collector. (RSA 41:45-a)
3. To vote on changing the term of the Town Treasurer, from one year to three years. (RSA 41:26-a)
4. To vote on adopting the optional veterans' exemption and expanded qualifying war service for veterans seeking the exemption. (RSA 72:28 V and VI)
5. To vote on adopting the optional property tax exemption on residential property for a service-connected total disability. (RSA 72:35 VI)
6. To vote on adopting the adjusted elderly exemption. (RSA :43f)
7. To vote on the adoption of Amendment No. 1 to the Zoning Ordinance.
8. To vote on the adoption of Amendment No. 2 to the Zoning Ordinance.
9. To vote on the adoption of Amendment No. 3 to the Zoning Ordinance.
10. To vote on the adoption of Amendment No. 4 to the Zoning Ordinance.

11. To vote on the adoption of Amendment No. 5 to the Zoning Ordinance.
12. To vote on the adoption of Amendment No. 6 to the Zoning Ordinance.
13. To vote on the adoption of Amendment No. 7 to the Zoning Ordinance.
14. To vote on the adoption of Amendment No. 8 to the Zoning Ordinance.
15. To vote on the adoption of Amendment No. 9 to the Zoning Ordinance.
16. To vote on the adoption of Amendment No. 10 to the Zoning Ordinance.
17. To vote on the adoption of Amendment No. 11 to the Zoning Ordinance.
18. To vote on the adoption of Amendment No. 12 to the Zoning Ordinance.
19. To vote on the adoption of Amendment No. 13 to the Zoning Ordinance.
20. To vote on the adoption of Amendment No. 14 to the Zoning Ordinance.
21. To vote on the adoption of Amendment No. 15 to the Zoning Ordinance.
22. To vote on the adoption of Amendment No. 16 to the Zoning Ordinance.
23. To vote on the adoption of Amendment No. 17 to the Zoning Ordinance.
24. To adjourn the meeting until Wednesday, March fourteenth, at 7:00 PM, at the Bradford Elementary School on Old Warner Road: the raising of money and remaining articles in the Warrant to be taken up at adjourned meeting.

25. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.
26. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.
27. To see if the Town will vote to authorize the Board of Selectmen to apply for, receive and expend federal and state grants which may become available during the course of the year, in accordance with RSA 31:95-b and also to accept and expend money from any governmental unit or private source to be used for purposes for which the town may legally appropriate money. (Majority vote required)
28. To see if the Town will vote to accept monies received from the establishment of Trust Funds during the year since last Town Meeting.
29. To see if the Town will vote to retain the unexpended portion of the Conservation Commission's 1990 appropriation in the Special Conservation Fund established in 1977 under the provisions of RSA 36-A:5.
30. To see if the Town will vote to have the annual town audit done by a professional CPA firm, rather than having elected town auditors, and to raise and appropriate the sum of Four thousand eight hundred fifty dollars (\$4,850) for this purpose. (This article would take effect upon passage) (Recommended by the Budget Committee)
31. To see if the Town will vote to raise and appropriate the sum of Fifteen thousand dollars (\$15,000) to be added into the Future Revaluation Capital Reserve Fund, previously established. (Majority vote required) (Recommended by the Budget Committee)
32. To see if the Town will vote to raise and appropriate the sum of Ten thousand dollars (\$10,000) to be added into the Highway Department Heavy Equipment Capital Reserve Fund, previously established. (Majority vote required) (Recommended by the Budget Committee)

33. To see if the Town will vote to raise and appropriate the sum of Ten thousand dollars (\$10,000) to be added into the Fire Department Heavy Equipment Capital Reserve Fund, previously established. (Majority vote required)
(Recommended by the Budget Committee)
34. To see if the Town will vote to raise and appropriate the sum of Twenty-five thousand dollars (\$25,000) to purchase a 6 wheel, 2 wheel drive Highway Dump Truck and authorize the withdrawal of Twenty-five thousand dollars (\$25,000) from the Highway Department Heavy Equipment Capital Reserve Fund (Expendable Trust) established at the 1988 Town Meeting for this purpose. (Majority vote required)
(Recommended by the Budget Committee)
35. To see if the Town will vote to raise and appropriate the sum of Fifteen thousand dollars (\$15,000) to purchase a Highway 1 Ton 4-wheel drive Dump Truck and authorize the withdrawal of Fifteen thousand dollars (\$15,000) from the Highway Department Heavy Equipment Capital Reserve Fund (Expendable Trust) established at the 1988 Town Meeting for this purpose. (Majority vote required)
(Recommended by the Budget Committee)
36. To see if the Town will vote to raise and appropriate the sum of Eight hundred dollars (\$800) to purchase a hand held portable radio for the Police Dept. (Recommended by the Budget Committee)
37. To see if the Town will vote to raise and appropriate the sum of Twelve thousand dollars (\$12,000) for use at the Solid Waste Disposal Area for Recycling Equipment. Six thousand dollars (\$6,000) of which is to be raised by general taxation and the remaining portion is contingent upon receipt of a grant from the State of N.H. in the amount of Six thousand dollars (\$6,000) which represents 50% of the costs. (Majority vote required) (Recommended by the Budget Committee)
38. To see if the Town will vote to raise and appropriate the sum of Four thousand five hundred twenty-one dollars (\$4,521) for the Community Action Program. (Recommended by the Budget Committee)

39. To see if the Town will vote to raise and appropriate the sum of One thousand ninety-six dollars (\$1,096) for membership dues in the Central New Hampshire Regional Planning Commission, of which we are a member community. (By Petition) (Not Recommended by the Budget Committee)
40. To see if the Town will vote to raise and appropriate Seven thousand five hundred dollars (\$7,500) and to authorize its expenditure to cover a portion of the cost estimates to construct a baseball and soccer field at the Kearsarge Elementary School in Bradford and to update and improve the Brown Shattuck Field. The cost estimates include chain link fencing, temporary plastic safety fence, site work, four dugouts, two score boards, one utility shed with floor, safety based, one set of soccer goals, and miscellaneous equipment for the maintenance of the field. The cost estimate for constructing the new field at the elementary school is \$13,555 and the updating and improvements at the Brown Shattuck Field are estimated to cost \$7,250. Total cost estimates are \$20,805. The balance of the estimated cost shall be generated by fund raising at the local level. (By Petition) (Not Recommended by the Budget Committee)
- 41 To see if the Town will vote to approve the following statement and direct the Selectmen to send it to our elected representatives in Washington, D.C.: "As citizens of New Hampshire assembled at our town meeting and concerned over the present and future well-being of our town, state, nation and world, we call on our representatives in Washington to work vigorously for substantial reductions in military spending - spending for which taxpayers of our town paid approximately \$1,400,000 last year - and to redirect our federal tax dollars toward such purposes as education, environmental protection, deficit reduction, farming, housing, health care, and welfare of the elderly and children." (By Petition)
42. To see if the Town will vote to designate and proclaim April 22, 1990, as Earth Day 1990, and to set aside that day for public activities promoting preservation of the global environment and launching the "Decade of the Environment". (By Petition)

43. To see if the Town will vote to authorize the Selectmen to carry out a revaluation of the Town. (By Petition)
44. To see if the Town will vote to authorize the Selectmen to sell Town owned property acquired by Tax Collector's Deed.
45. To see if the Town will vote to accept the reports of the Town Officers.

Edna E. Herbet, Chairman
Joseph O. Battles
Richard V. Perron

SELECTMEN'S COMMENTARY

A Selectmen's Newsletter was sent to all taxpayers last October. This newsletter addressed issues relating to French's Park, finances and taxes, solid waste disposal, planning, building and zoning. Copies are still available at the Selectmen's Office.

The Kearsarge Regional School District continues to represent the majority of our tax bills, and the district Selectmen are continuing to meet monthly to address the issue. This past year, nineteen district Selectmen attended a School Board meeting, individually introduced themselves by name and town, and presented their concerns regarding the effect that the school budget has on local taxes and services. The School Board was receptive and seemed understanding. The proposed 1990-1991 School Budget is \$10,881,815, up from \$10,526,266 last year, an increase of 3.38%. Copies of the Proposed 1990-1991 KRSD Budget and Final Report of the 1989-1990 Budget Review Committee are available at the Selectmen's Office. It is strongly recommended that you review this budget and report before attending the annual school meeting.

The proposed town budget totals \$836,276. On the surface, it might appear that this is an increase of 13.5% over last years budget of \$736,866; however, that is not the case. There are five areas of the budget that relate to fees collected by the Town: Tax Collector Fees, Town Clerk Fees, Planning Board Fees, Zoning Board of Adjustment Fees and Building Inspection Fees. These estimated fees have increased nearly \$23,000 in the proposed budget, but all fees will be offset by revenues and will not affect the tax rate. Also, it is proposed to withdraw \$40,000 from Capital Reserve Funds for highway equipment and to accept \$6,000 from the State as their share of a recycling grant. These expenses will not affect the tax rate either. All these factors taken into consideration, the proposed budget represents an increase of 4.2% over last year's budget. A rough estimate of what next years tax rate might be, assuming a five percent increase in the school budget (along with other assumptions), indicates that the tax rate should not increase or might even drop somewhat.

Hopefully, this will be the case so that last years increase in taxes of 7.87% (\$64 to \$69 per thousand) will be spread over two years.

Please keep in mind that the financial reports presented herein have not been audited. Again this year, we are planning to be audited by an outside, professional firm. The audit results will be made available upon completion.

New town stickers will not be issued this year, as we have a supply of current stickers; however, all stickers in use will gain access to the transfer station/disposal area and French's Park.

In closing, we thank the seven full-time employees for their long hours and hard work to provide the excellent services we sometimes take for granted. Also, our thanks to the many part-time and volunteer employees, critical to the operation of Town affairs.

Edna Herbert
Joseph Battles
Richard Perron

BRADFORD TOWN HALL RESTORATION COMMITTEE

The committee regrets that 1989 was not a year of great accomplishment due to the difficult financial situation in which our town has found itself.

Although \$4,000 had been designated for painting and repairing the back hall and stairs, the work was postponed, along with other non-essential projects, at the request of the Board of Selectmen.

The members of the committee contributed from their own pockets enough money to purchase supplies needed for patching, spackling, and painting the main entrance foyer during the month of March. We are grateful for the pleasant and proficient assistance of Ken Young in painting the ceiling and for Dick Whall's help in sanding and spackling, Sue and Martha Young and Phyllis Whall's painting of the walls and woodwork. Kathy McKenna's stenciling talents are again visible as she adds the finishing touch of color to the walls.

Jane Simonds' resignation was reluctantly and regretfully accepted.

The new brick-red stage curtain was installed by Dunbar Interiors of Concord and it appears to be trouble-free. We appreciate Mr. Dunbar's cooperation in dealing with the manufacturer of the original defective material, re-ordering material in a different color, and creating the new curtain for the auditorium at no cost to the town.

Having learned that this building was placed in the National Register of Historic Buildings in 1980, we hope to acquire soon and put in place a plaque on the exterior of the building to document this event.

Our group's major aspiration for 1990 is to complete Phase I (upstairs) of the restoration by repairing and painting the back hall and stairway.

We are indebted to the citizens of Bradford for their past interest and support in maintaining and beautifying this fine edifice and we enlist your continuing support of our efforts to preserve and improve it.

Respectfully submitted,

Nancy Beaton - Virginia Carter
Kathy McKenna -Phyllis Whall
Sue Young

BRADFORD CONSERVATION COMMISSION

Major 1989 BCC activities include the following:

-Weeded, fertilized and mulched the Bicentennial Park. Also planted flowers around the Memorial Stone and set out several new shrubs.

-Planted flowers in the old railroad Water Tower Base.

-Placed the BCC Picnic Table and a Waste Barrel (borrowed from the State) on the grassed area adjacent to the Tall Pine Tree parking loop. The waste barrel was dumped weekly by Associate BCC member, Clarence Wheeler.

-Carried out the annual cleanup of French's Park on Lake Massasecum prior to the start of the Women's Club Swimming Lessons Program in early June:

- + General cleanup of branches, leaves, and debris from the parking, picnic and beach areas.
- + Cleared the sandy beach area of leaves, branches, and seaweed out to a depth of 3 feet.
- + Removed broken glass, bottle caps, etc. from the swimming area.
- + BCC members were assisted by Assoc. members, a team of volunteer Skin Divers and the Bradford Pines 4-H Club.
- + A cookout lunch was provided to the cleanup workers.

-The Fitness Trail was cleaned up and trimmed.

-Boundary points were walked for the newly acquired Bog property. The survey plot map was redrawn, certified, and recorded.

-The clearing of the Bog Nature walk was delayed due to the abnormally wet summer season. Completion of this project will be a priority activity for 1990.

-Three BCC members and two Assoc. members attended the annual NHACC meeting in Concord.

-BCC & Assoc. members attended a full=day Inherit New Hampshire Inc. sponsored Statewide Conference on *"The Preservation of Community Character"*.

-A sub committee was formed (BCC & Assoc. members plus BCC Friends) to develop a "Procedures Manual" covering the various approaches and resources available to the BCC for the preservation of natural, scenic, and historic land resources within the town.

- + The effort was kicked off with a presentation by a representative of the Land Preservation Unit of the Society for the Protection of New Hampshire Forests.

- + Similar presentations by other appropriate state, federal and private groups are being scheduled for 1990.

- + Volunteers interested in assisting in this important project, please contact Tillie Wheeler.

LIBRARY COMMENTARY

Brown memorial Library has had an active and productive year. In November Mrs. Margaret Ainslie, the librarian, completed the Public Library Techniques Course Program. On Wednesdays she had Mrs. Elsa Weir, assistant librarian, read stories and assist the kindergarten and preschool children who visit the library. A circulation of 10,457 books, 2,248 periodicals and 237 inter-library loans were logged this year. We wish to extend thanks to all who responded to our questionnaire last spring. The results have been collated and we are working on implementing your suggestions.

The trustees are pleased to report the formation of an active Friends Group which grew out of responses to the library questionnaire. Please see the Friends report for information on their varied events and activities.

Under the direction of Barbara McCartney an inventory has been started. Every Monday since August trustees and other volunteers have been working on this project which involves updating our records for every volume in our collection. This time consuming project is now more than half done.

Gifts and acquisitions for 1989 totaled 515 books. Three quarters of our purchased books are funded by Memorial and Trust Funds.

The trustees and librarians wish to thank the townspeople for their support of the library, for their generosity in donation of time, money, books and periodicals. We could not be as effective without your support.

Trustees, Brown Memorial Library
Barbara Hall, Co-Chairman
Helen Mallard, Co-Chairman
Barbara McCartney, Treasurer
Jane Herbert, Secretary
Janet Sillars

FRIENDS OF THE LIBRARY

A Friends of the Library group has been formed to supplement the activities of the Brown Memorial Library. The group is co-chaired by Laurie Buchar and Megan Hunt-Szymkowicz, with Melanie Evers as secretary and Joy Donahue as treasurer, and holds general meetings once a month.

The Friends was organized in cooperation with the trustees and staff of the library and is aimed at assisting them in their service to the community. During the fall of 1989, the Friends organized several programs for children, including both Halloween and Christmas parties for pre-schoolers and story-telling for older children by the library fireplace. In addition, a wreath-making class, instructed by Laurie Sweet-Brown, was held for adults.

Activities for this spring include additional seasonal children's programs and more crafts classes for adults, plus a film and short story discussion group. Efforts are also going towards outreach service to people who are unable to take advantage of the library because of their current situation, plus a literacy tutoring program for adults.

The Friends hopes to gain widespread membership from the community, whether or not individuals plan on attending programs or meetings. You can show your support through a dues payment.

Student \$2.00 - Adult \$4.00 - Family \$6.00

In this way, the Friends hope to help the Brown Memorial Library to meet the needs of the community by providing some fun and educational programs to the public. Everyone is welcome to attend any of the meetings or events, which will be publicized by posters and cable television.

Thank you,
Laurie Buchar
Megan Hunt-Szymkowicz

REPORT OF THE BRADFORD PLANNING COMMISSION

Chairman

Thomas Riley

Members

Joe Battles - Perry Teele - George Morse

Brooks McCandlish

Joseph Torro - Dave Pickman

Alternates

William Lucas - Paul Kennedy

Bradford's Planning Board was again very active during 1989. There were 8 subdivisions, 2 site plan reviews, and 1 lot line adjustment granted. 3 more subdivision requests and 2 site plan reviews are in progress.

This was the first year that the Planning Board operated under the new Zoning Regulations. We started the year off by adopting Site Plan Review Regulations as mandated by the Zoning Regulations. We also began to interface with the new Zoning Board of Appeals, with whom we will be working closely as site plans and zoning questions become more frequent.

Because of the Zoning Regulations, we also had to revise the Subdivision Regulations to agree with them, and at the same time we introduced the concept of cluster development as an alternate to subdivision. In cooperation with the Zoning Board of Appeals, several amendments to the Zoning Regulations have been proposed to clarify some of the parts of that ordinance.

As time goes on, there will be other parts of these regulations which are unclear or not in the best interest of the Town. We welcome any suggestions or corrections from the Towns people who we are attempting to serve.

REPORT OF THE ZONING BOARD OF ADJUSTMENT

The Zoning Board of Adjustment met for the first time on April 16 and thereafter nineteen more times before the end of the year. Many long hours have been spent in dedicated effort to establish an efficient and properly operating Board. One member, Al Grindle, resigned in August to assume the duties of the Town Code Enforcement Official. The Board was fortunate to have him as an able and valuable contributing member during the important and busy time of start up and development and for the majority of the appeal cases. In September the board welcomed Marcia Keller to fill the vacancy.

During the year the board received a total of twelve applications for appeal. The board granted eight, denied two and two are on hold awaiting further action by the applicants.

As with most new boards, the first year has been a time of development and a learning experience for the members. The function of the board is to serve the Town and residents, consistent with the adopted Zoning Ordinance and to do so in cooperation with all other Town boards, departments and officials.

At the present time the board meets in the office of Selectmen the first and third Tuesday of each month. Each meeting begins at 7:00 PM. No appointment is necessary for anyone to meet and conduct appropriate business with the board. All meetings are public and visitors are welcome.

**REPORT OF THE
BUILDING CODE ENFORCEMENT OFFICER**

During the 1989 year this department issued eighty-one (81) Building Permits, seven (7) Intent to Repair Permits and thirty-one (31) Occupancy Permits. We did eighty-nine (89) Plan Reviews, two hundred forty three inspections including Footings, Foundations, Plumbing, Electrical and Final. There were seven (7) inspections of faulty septic systems and one (1) inspection for a Burial site on a Homeowner's lot.

Plans submitted to this department this year included:

New Homes.....	9	Septic Systems.....	7
Additions.....	18	Remodeling	5
Garages	6	Storage Buildings....	11
Repairs	8	Foundations.....	5
Barns	1	All Other.....	11

Each time a Building Permit is issued an average of three (3) inspections are required before an Occupancy Permit is granted. This department has tried to be available to answer questions, and to give inspections within twenty-four hours after they have been requested, including Saturdays and Sundays for those people not able to be at their sites during the week.

With the implementation of the Zoning Ordinance the Code Enforcement Officer's job has become more complicated and time consuming. He must answer all complaints regarding Zoning, faulty septic systems, and infractions of the BOCA Code which was put into effect by the town in 1987. He must also enforce any State laws applicable to this department.

I wish on behalf of many of the townspeople to extend Best Wishes and gratitude for a job well done during his years of service to Bob Moore who retired as Building Code Administrator in 1989.

Respectfully Submitted
Halton T. Grindle
Building Code Enforcement Officer

REPORT OF THE BRADFORD POLICE DEPARTMENT

Over twelve years have passed since I assumed the position as your Chief of Police. Over the years I have tried to build the department into full time coverage at modest budget requests. Through the dedication of your officers, both part time and full time numerous hours were volunteered to the town in a spirit of cooperation. Today with the increasing demands of more training through the Police Standards and Training Council, we find it necessary to meet certain requirements as mandated by State Statutes. These changes have influenced our budget demands as the men are being paid for their respective time required to comply with the law. This, coupled with the staggering economy, the part time men can no longer volunteer their time as they did in the past.

Our budget as submitted allows for the continuation of full time coverage by this department, offering the response of a Police Officer any hour day or night. Any decrease in our budget requests would result in a reduction in services. I assure you we will do our best with the monies allotted. In 1989 we investigated only four burglaries and twelve larcenies out of one thousand seventy nine incidents reported. This should prove that Bradford is still a safe place to live. This department will continue to serve you, the citizens of our community, in a professional manner.

Respectfully submitted,

Marvin Rich
Chief of Police

INCIDENTS REPORTED

Total reported incidents for the year	1,079
Total criminal arrests	132
Total motor vehicle violations	569
Total motor vehicle warnings	201
Total motor vehicle checkups	69
Total phone calls received by New London Dispatch	2,857

(This does not include direct phone calls received)

REPORT OF THE BRADFORD FIRE DEPARTMENT

The year started off quiet for the Fire Department and like all departments we hoped it would stay that way, unfortunately it did not.

We had several major breakdowns on our front line apparatus. Through the help of local repair companies and many volunteer hours by our members we were able to keep fire suppression capability at an acceptable level while repairs were made.

The end of the year brought us two major fires. A house on Fairgrounds Road was totally destroyed by fire. There are two interesting points about this fire. First the occupants which included several children barely escaped with their lives. Follow up investigation of this fire revealed that either there were no smoke detectors installed or the smoke detectors were not operating. We again urge you to make sure you have smoke detectors and that they are operating properly. The second interesting point was the fact that under our dry hydrant installation program a dry hydrant was installed near this structure 2 days before the fire. The dry hydrant made fire suppression activities quicker and safer than would have been before the hydrant installation. We will be installing another dry hydrant at a selected spot this year under the dry hydrant program.

The second fire happened just before Christmas at the Kearsarge Reel plant located on Breezy Hill Road. With the help of 15 mutual aid Towns and 35 pieces of fire apparatus the fire was contained to the chipper rooms, allowing Bradford's largest business to reopen the following day. The success of this fire operation can only be attributed to the swift and professional actions of the fire suppression system in place for the town. These include mutual aid agreements with surrounding towns, fire dispatching done by the Concord Mutual Aid Dispatch System and the countless volunteer hours given by the Bradford members for training and equipment maintenance. The success of this fire operation was a truly special Christmas present for all of us.

REMEMBER: SMOKE DETECTORS SAVE LIVES!

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

During calendar year 1989, the State of New Hampshire experienced an average number of wildfires. The three leading causes of these wildfires were fires kindled without a fire permit from the Forest Fire Warden, children and debris burning fires that escaped control. All these causes are preventable, but only with your help.

Please help your town and state forest fire officials with forest fire prevention. By New Hampshire State Law (RSA 224:27b), "No person, firm or corporation shall kindle or cause to be kindled any fire or burn or cause to be burned any material, except when the ground is covered with snow, without first obtaining a written fire permit

from the Forest Fire Warden of the town where the burning is to be done."

Violations of RSA 227:27 and other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$1,000 and/or a year in jail and you are also liable for paying all fire suppression costs.

The State of New Hampshire, Division of Forests and Lands assisted many towns in wildland fire suppression during 1989 including several large fires in Allenstown, Alton, Chesterfield, Concord areas, as well as the 100 acre fire on Mt. Belknap in Gilford.

If you have any questions regarding New Hampshire forest fire laws, please contact your local Forest Fire Warden, State Forest Ranger, or the Division of forests and Lands at 271-2217.

REPORT OF THE BRADFORD RESCUE SQUAD

In 1989 the Bradford Rescue Squad responded to 182 emergencies. 154 of these emergencies were medical in nature, 25 were motor vehicle accidents. We transported from one structure fire and stood by at two other structure fires.

The squad's major expense this year was the purchase of 8 new pagers and 2 new radios. Pagers will also be a major expense in the year to come because most of our pagers are eight to ten years old and will need to be replaced.

The members of the Bradford Rescue Squad are saddened by the death of Margaret Wise. Our ambulance displays the name of Frank A. Wise in remembrance of the generosity of Frank and Margaret Wise over the years since the squad's beginning. We extend our sincere sympathy to the family of Margaret Wise.

We thank the townspeople for their continued support!

SOLID WASTE - RECYCLING COMMITTEE

The focus of this year's activities at the Transfer Station was the transition from landfill disposal to incineration through our membership in the Concord Regional Solid Waste/Resource Recovery Cooperative - the Coop. (See companion report) Bradford was the first member town to ship wastes to Concord during the start-up period. H.A. Gobin of Claremont is the designated hauler to handle the shipping at a fee that includes a discount because six towns in the region are using the service.

In anticipation of using the new facility, the Board of Selectmen prepared and adopted, after a public hearing, a Solid Waste Ordinance. Requirements for use of the Transfer Station are established, including what materials can be placed in the compactor, and what materials must be kept separate for recycling purposes.

Recycling efforts in 1989 removed 2 1/2 tons of aluminum cans and 27 tons of cardboard, bringing income of \$2,900 for the year. Recycling, stockpiling glass and keeping metal sorted by type decreased hauling and disposal costs and resulted in savings of approximately \$5,000 - a total offset in the solid waste budget of \$7,900. The cooperation of residents in these efforts is greatly appreciated. As a result, Bradford was able to decrease its tonnage commitment to the Coop by 50 tons.

A further decrease is anticipated through the efforts of a Recycling Subcommittee that was organized in October and includes Debbie Bruss, John Robic, Nora White, Melanie Evers, Amy Blitzer, and Millie Kittredge, with ongoing advice and assistance from Tom Page. Janet Bauer serves as liaison to the Solid Waste Committee. The subcommittee assessed the recycling priorities for the coming year and explored the possibility of obtaining a matching grant for equipment under a state recycling program.

Three items have been included in the 1990 budget request: a portable recycling center to handle newspaper and glass; a box for mixed metals and aluminum to simplify that operation; and a container for the safe collection and

disposal of waste oil. Voter support for this equipment, with the grant covering half of the cost, will improve materials handling at the site, expand the items that can be recycled, and increase the overall savings to the Town.

Improvements proposed at the site for the coming year include providing on-site water for the safety and protection of the Transfer Station Manager and the public.

It has been a busy year for the solid waste/recycling volunteers. Sue McKeivitt is Bradford's representative to the Central New Hampshire Solid Waste District and serves on the Executive Committee. The District Plan for 26 towns/cities has been prepared and submitted to the State for review. The District is awaiting to see if the Plan is acceptable, as is; needs minor modifications; or needs a major rewrite. A decision is expected in mid February.

The Plan identified disposal problems and needs for each member town/city that must be dealt with either individually, through cooperation with other town/cities, as a mini-district, or by altering the District's current legal status to authorize the creation of regional disposal facilities through agreement or eminent domain. How each town/city deals (or doesn't deal) with its waste will determine the future direction of the district.

Next year holds more prospects for changes and increased activities in the solid waste field. Any residents with concerns in this area are urged to contact the Committee and get involved. We all generate the waste and pay the taxes for its disposal.

Respectfully Submitted,
Janet Bauer
Bernard Lamach
Marcia Keller, Chair
Tom Page, Transfer Station Mgr.
Sue McKeivitt
Jim Lawrence

CONCORD REGIONAL SOLID WASTE/RESOURCE RECOVERY COOPERATIVE

The 1989 year was an exciting one for the Cooperative as the long awaited Plant and Ashfill came on line in time and within budget. When all factors are complete we will be entering the 1990 year with an anticipated \$50,000 in our Operating Reserve Fund and the same Tipping Fee of \$36.45 per ton as we had in 1989. Including the shakedown period from April 89 to August 28, 1989 and the Commercial Operations from August 28 to November 30, 1989 the Plant processed 107,285 tons of refuse and the Co-op disposed of 41,529 tons of ash through it's Operator, J.D. McLeod at the Ashfill. It is anticipated that the Co-op Towns/Cities will dispose of 120,000 tons of trash in 1990 which will be about 78% of the Plant capacity. Once again, many thanks to the Co-op representatives who have spent many evenings in guiding this project to it's present status.

Ronald H. Ford
Project Director

COMMUNITY ACTION PROGRAM

Over the past twelve years, the Kearsarge Valley Community Action Program has been the focal point of social service delivery in this area, providing help when needed to the income eligible and elderly, as well as to the community at large.

As perhaps you are aware, Community Action Program Belknap-Merrimack Counties, Inc. generates funds through the mobilization of available federal, state and local monies. Support for the local Area Center is derived from a combination of federal appropriations and local tax dollars. This combination allows the Kearsarge Valley Community Action Program to provide a variety of services to the residents of your community, from the development of programs which meet local needs, to outreach, referral and direct assistance.

The attached budget reflects the minimum costs of maintaining and continuing the operations of the Kearsarge Valley Area Center. I respectfully submit that an item be placed in the Town Budget in the amount of \$4,521.00 for the continuation of services to the residents of the Town of Bradford.

This figure is based on the operating costs of the Area Center, as well as on last year's local community participation level and the services provided to Bradford in the amount of \$82,638.15. The total dollar amount needed from the local towns to maintain and operate the Area Center is \$26,985.

I have also attached a detailed summary which provides a brief description of our programs and the number of Bradford residents who participated in them.

The staff of the Kearsarge Valley Area Center wish to thank you and the Town of Bradford for your support in the past. With your continued interest, we will be able to continue to provide needed services to the members of your community.

Sincerely,

Barbara Chellis, Area Director
Kearsarge Valley Area Center

LAKE SUNAPEE HOME HEALTH CARE

1989 Report of Services Provided in Bradford

Lake Sunapee Home Health Care, Inc., a non-profit, Medicare certified, state-licensed Home Health Care agency, provided health care services to people, regardless of their ability to pay, in 17 towns in Merrimack and Sullivan counties. These services were paid for by Medicare, Medicaid, private insurance, client fees, town and municipal appropriations, grants and contracts, United Way funds, and donations from individuals and businesses.

In 1989, we provided 6,766 nursing and therapy home visits and more than 12,425 homemaker/home health aide hours; cared for more than 455 children at our child health clinics; and conducted adult foot care, flu, and blood pressure clinics.

The following chart is a summary of the services provided to people in Bradford in 1989:

Home Care Program

Nursing	369 visits
Physical Therapy	110 visits
Occupational Therapy	75 visits
Speech Therapy	1 visit
Homemaker/Home Health Aid	1,241 visits
Social Service	7 clients

Health Promotion Program

Maternal Child Health

Pediatric Skilled Nursing	2 clients
Child Health Clinics	39 clients
Health Education	12 clients
Parent/Child Program	7 clients

Adult Health Program

Blood Pressure	21 clients
Flu Shots	14 clients
Hearing Screening	2 clients

The Long Term Care Program (TLC) 907 hours

The staff of Lake Sunapee Home Health Care, Inc. and Pauline Dishmon, your town representative on our Board of Trustees, thank you for your continued support of our services.

Cheryl Blik
Executive Director
